**Recognition Process for the Summer School Courses 2023 for
B.Sc. 'Business Studies' and B.Sc. 'Business Studies and Economics'**

Some Summer School courses are a regular part of the major courses (Studienschwerpunkt). For these courses, you have to register via **PABO**, as usual.

If you want your course to be recognized in the field of **General Studies**, please follow the following procedure:

- Fill in the form „Nachweis über den Erwerb von Credit Points" and send it to ***summercampus@uni-bremen.de*** **before September 15th, 2023**. Please send the file as "pdf document", not as "pdf form".
- We will fill in the rest, have it sealed by our faculty's administration (Fachbereichsverwaltung), and send your **grading information to the central examination office (ZPA)** for recognition.
- We will **not need the paper document** for this year's recognition process.

Annex: List of options for recognition
