careercenter

Services

The services of the Career Center are oriented around the needs of students and alumni of the University of Bremen as well as the current developments of the job market. We can support you through individualized counselling and through events.

The Career Center is a point of contact for:

- Students preparing to enter the job market in Germany or abroad
- Alumni and scientific researchers over the course of their career
- Employers looking for future employees

The Career Center offers advising and support for important decisions:

- Career planning in Germany and abroad
- Making connections between education, job fields, and required qualifications
- Finding individual professional development opportunities and funding these
- Job qualifications and perspectives without a university degree

Check out our guide for international students:

<https://www.uni-bremen.de/en/career-center/counselling/how-to-apply-in-germany>

The Career Center connects students, alumni, and employers

Employers:

- Can get in contact with Interns, students, and alumni as well as points of contact in the academic faculties
- Can use our online job portal to find qualified employees

Students, alumni, and scientific employees

- Can find support when searching for:
 - Fitting employers
 - Internships in Germany and abroad
 - Experience-oriented theses
 - Job openings
- Can create an online applicant profile to search for:
 - Mini-jobs
 - Internships
 - Full-time employment for graduates

The Career Center offers informational events and workshops about these topics:

- Job markets
- Business competencies
- Application and self-presentation
- Gender and diversity competencies
- Job-search abroad
- Communication
- Sustainability
- Self-organization
- Voice and presentation training
- Teamwork
